The manuscript is a single page from a ledger, showing a list of entries with corresponding numerical values. The entries are written in a cursive script, and the numbers are in the left margin. The page is heavily stained and discolored, with many of the entries and numbers being illegible due to fading and damage. The visible entries include:

He was Dungen Capt Generall Governor in Chieff and Vice Admiral
over the province of new york and territories depending there one milne
his most sacred majesty James the second by the grace of God King of
Great Brittain France and Ireland Defender of the faith &c To all to whom
these shall come sendeth greeting Inasmuch as whereas at the first
settled within his Royall Highnesses territories situated lying and being
the south west of maine's wineyeare stretching in length near upon a south standing
line commonly called and known by the Name of Xantuckett of length
the same was given to John Parcheiser for a valuable consideration
Thomas Mayhew son of Martin wineyeare and Thomas Mayhew
son of James fairer agent to William Earl of Starling in whom the
Government then was and by them conveyed and made over to
the Inhabitants the free Holders and their associates who became the
main purchaser of the Indians Rights to the Land there now in
use to dwell and occupation as by patents Dated the 28 of June for the
first and twentieth year of his late Majesty's Reign and in the
year of our Lord and there fore six hundred twenty eight from Francis
and three of his governors &c Relation being there unto sent forth and
by more fully and at large appears which said Patent was confirmed
patent under my hand and seal of the province bearing date
the fifth of June in the 30th year of his said late Majesty's Reign
in now Domains there said six hundred eighty four to John Gardner
and James Coffin as patentees for and on the behalf of them
and their associates The Inhabitants free holding the said
said land and a signified that is to say to much as hath by them
been purchased so gathered with all the Land's sayd waste meadow
pastures marshes lakes waters fishing haunts hunting
outings and all other profits Commodities Emoluments hereditaments to
the said Island belonging or in any wise appertaining Royal mines
shals crists and wrecks excepted save the said Island and premises
be hold deemed reputed taken and be an Intire Enfranchised Town
in manner and place of it selfe and all ways from time to time and
all times hereafter have hold and enjoy like and Equall privileges
with any town Enfranchised place or maner within this govern
ment no manner of way to be subordinate Belonging unto him or any depend
ent or in any ways be under the Rule order or direction of any other town
place to hold the said Island with all and singular the appurtenances
to the said John Gardner and James Coffin and their associates Thence being
acknowledged and a sign for Ever according to the Charter of East Greenwich in
County of Kent in his Majesty's Kingdom of England yielding yearly
the said yearly upon or before the first anniversary day of March unto
the said royal highness now his present Majesty as afore said his heirs
assigns or to such governor or governors from time to time shall
be constituted and appointed as an acknowledgment six quarters of
merchantable fish
